Contact us Page Layout

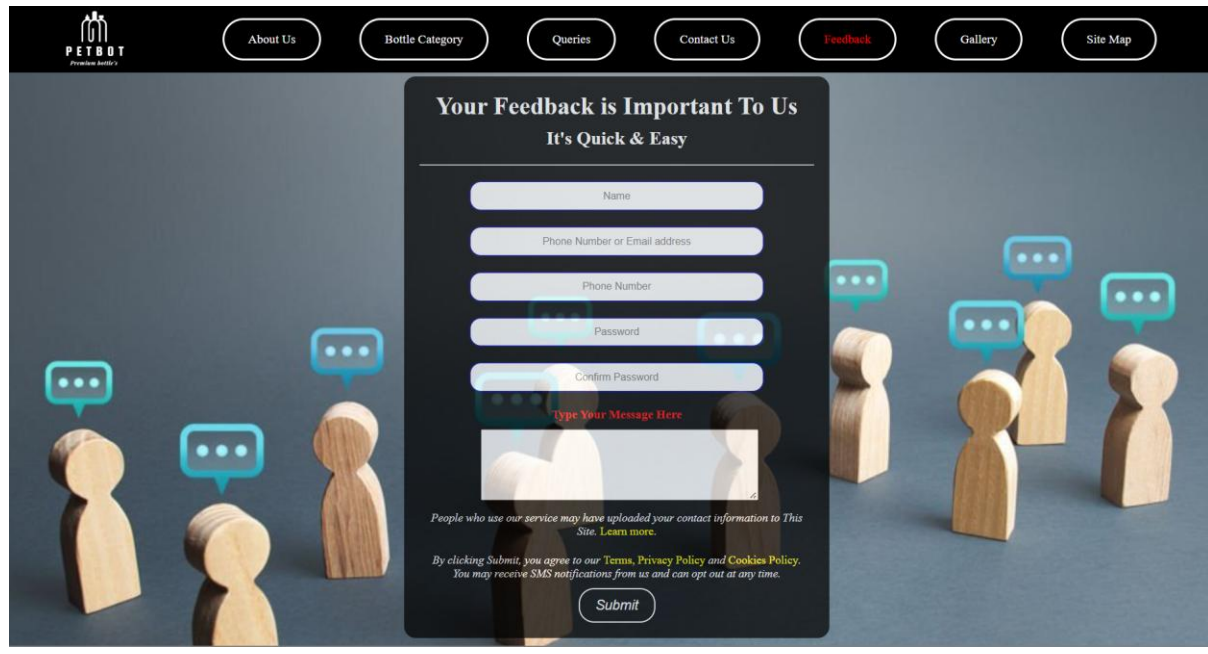

The image shows a web page layout for a 'Contact Us' page. At the top is a dark navigation bar with the 'PETBOT' logo on the left and several menu items in rounded buttons: 'About Us', 'Bottle Category', 'Queries', 'Contact Us' (highlighted in red), 'Feedback', 'Gallery', and 'Site Map'. Below the navigation bar is a large illustration featuring two cartoon characters: a man in a suit and headset on the left, and a woman in a white hijab on the right, both appearing to be in a customer service role. Overlaid on this illustration is a 'Contact Us' form. The form has a title 'Contact Us' in a dark box. It contains three input fields: 'Full Name', 'Email', and 'Type Your Message', followed by a 'Send' button. To the right of the form, there is a dark box containing contact information: 'Address' (4679 Sugar Camp Road, 40055 Castenaso (BO)), 'Phone' (507-475-60945-6057), and 'Email' (petbotpremium@gmail.com). The background of the illustration includes various icons like a speech bubble, a phone, and a mail envelope.

Feedback Page Layout

The screenshot shows a web page for PETBOT. The header is dark with the PETBOT logo on the left and navigation links in rounded buttons: About Us, Bottle Category, Queries, Contact Us, Feedback (highlighted in red), Gallery, and Site Map. The main content area has a dark background with a central white feedback form. The form is titled 'Your Feedback is Important To Us' and 'It's Quick & Easy'. It contains input fields for Name, Phone Number or Email address, Phone Number, Password, and Confirm Password. Below these is a text area labeled 'Type Your Message Here'. At the bottom of the form is a 'Submit' button. The background of the page features several wooden human figures with speech bubbles, suggesting user interaction.

Policy Page Layout

Advertisement policy

1) All advertisements and commercially sponsored publications are independent from editorial decisions. BMC does not endorse any product or service marked as an advertisement or promoted by a sponsor in BMC publications. Editorial content is not compromised by commercial or financial interests, or by any specific arrangements with advertising clients or sponsors.

2) BMC reserves the right to decline any type of advertising that is damaging to the brand of BMC or is inappropriate to the content held on the BMC network.

3) BMC will not accept advertising for products or services known to be harmful to health (e.g. tobacco and alcohol products).

4) Advertisements may not be deceptive or misleading, and must be verifiable. Advertisements should clearly identify the advertiser and the product or service being offered. Exaggerated or extravagantly worded copy will not be allowed. Advertisements will not be accepted if they appear to be indecent or offensive in either text or artwork, or if they relate to content of a personal, racial, ethnic, sexual orientation, or religious nature.

5) Once an advertisement has been deployed online, it will be withdrawn from the journal site at any time if the Editor(s)-in-Chief or Publisher request its removal.

6) BMC will not allow any treatment-specific or drug-specific campaign to be targeted to a specific article(s) or on any page where content relates to the product(s) being advertised. (Advertisers may not link to articles using keywords; they may not target advertising for a specific product on the condition that it appear in the same location and at the same time as a specific article mentioning that product and they may not refer to an article published at the same time as the advertisement appears).

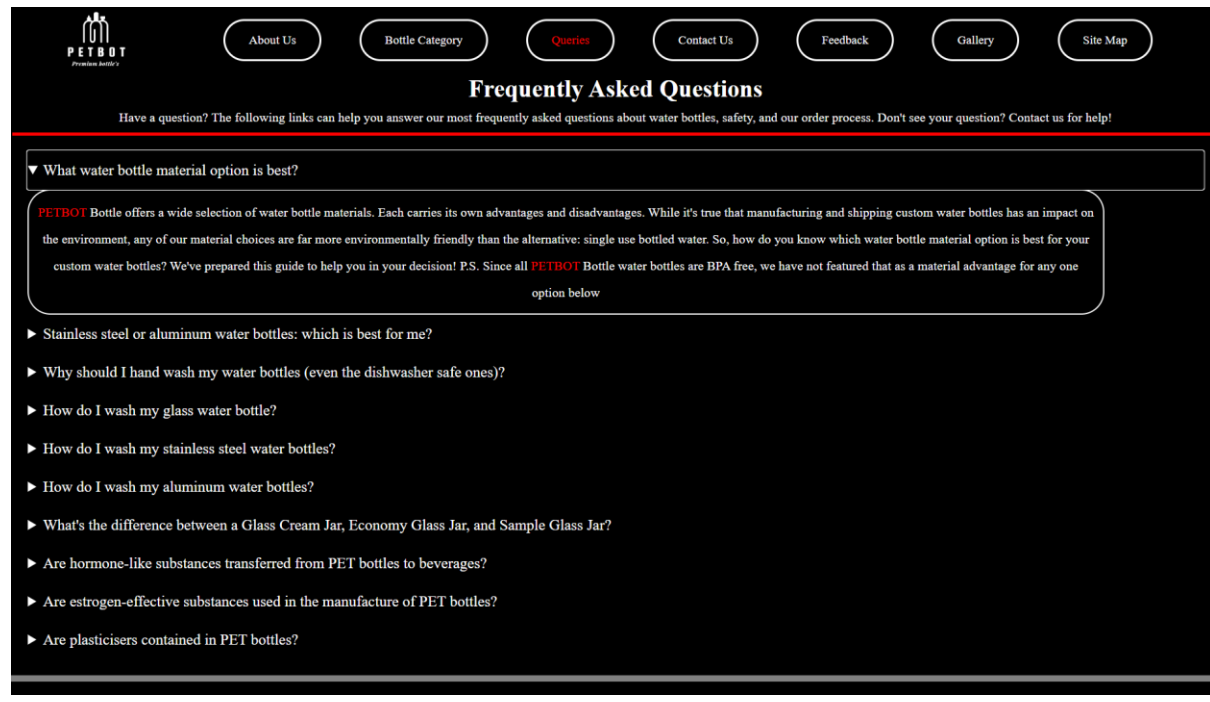

7) All advertisements for drug-specific campaigns must comply with the relevant European and UK legislation that regulates advertising. Information about the latest legislation, as well as good practice guidelines, can be found on the MHRA website. Advertisers should make available to BMC the marketing authorization and summary of product characteristics when submitting their advertisement. In the case of drug advertisements, the full generic name of each active ingredient should appear. Each page of an advertisement for a prescription-only medicine should be clearly labeled as intended for health professionals.

8) All advertisements for drug specific campaigns should encourage correct and rational use and must not be misleading.
